

Research Plan Outline

A complete research plan is required and must accompany Checklist for Student (1A)
The Research plan for ALL Projects must include this outline.

STUDENT NAME(S): _____

TITLE OF PROJECT: _____

PROJECT CATEGORY: _____

A. What is the Question or Problem being addressed?

B. What is your Hypothesis or Engineering goal?

C. Describe in detail the method or procedure you intend to use.

The following are important and key items that should be included when formulating **ANY AND ALL** research plans: Procedures: Detail all procedures and experimental design to be used for data collection.

Data Analysis: Describe the procedures you will use to analyze the data that answer your research question or hypothesis.

D. Bibliography: List at least five (5) major references from your literature review.
